

Negar Hajibeigi

UX/UI & Visual Designer

Berlin, Germany | +49 176 23609199 | negar.hajibeigy@gmail.com

linkedin.com/in/negar-hajibeigi | Portfolio

Berlin-based designer connecting architectural understanding with digital experiences and visual communication. I translate complex spatial and brand information into clear interfaces, visual assets and presentations.

RELEVANT DESIGN EXPERIENCE

Digital Designer

Cresco / Neon Wood | Mar - May 2026

Interpreted architectural plans and prepared simplified, accurate building and floor visuals in Figma for the renewed apartment-booking website. Contributed visual assets within the wider website team.

Visual & Communication Designer

PSI Software, Berlin | Aug 2024 - Mar 2025

Contributed website assets, presentations and marketing materials during a rebranding and website renewal. Applied the updated identity consistently in collaboration with the existing team.

Visual Designer

Mehrazeh Studio, Tehran | Mar - Jun 2021

Combined architectural understanding with graphic simplification to create understandable client-facing visuals and presentation layouts within a collaborative studio team.

Freelance Visual & UI Designer

Independent practice | Sep 2019 - Present

Create visual concepts, graphic and digital communication materials, interface layouts and presentations. Develop designs through client feedback.

EDUCATION

M.A. Visual & Experience Design | 2025

University of Europe for Applied Sciences, Berlin

Bachelor's degree in Architecture | 2020

Islamic Azad University, Tehran
